REACH and RoHS

All necessary dispositions have been taken in relation with our suppliers of constituent materials to ensure that constitutive materials do not include any substance (including SVHC substances) forbidden by the regulation currently applicable on the market.

To be used for a finished product: We hereby confirm that vermiculite products, calcium silicate products and molar bricks delivered to You meet the requirements of the EU Directive 2011/65/EU and EU Directive 1907/2006

To be used for a component: Our vermiculite products, calcium silicate products and molar bricks supplied to You do not contain any substances, which are prohibited by REACH Regulation or RoHS 2 Directive according to our present information.

Best regards
Skamol A/S, 16-01-2017

A handwritten signature in blue ink, appearing to read "Bianca Jørgensen", with a long horizontal flourish extending to the right.

Bianca Jørgensen
Chemical Engineer
